HEALTH DEPARTMENT RELEASES REPORT ON INFECTIOUS DISEASE

Dr. Robert T. McMahon, health officer of the City of Albany, released this week a report on infectious diseases reported during the past year.

A review of records for the years 1969-70 showed 63 diagnosed cases of venereal disease among Albany residents treated at various Bay Area clinics. Four were treated for syphilis, the rest for gonorrhea.

The deputy health officer, a trained venereal disease investigator, utilizing confidential information from treatment centers and laboratories, follows up cases and contacts to see that persons are informed and that treatment is completed. Clinics serving Albany residents are: Berkeley Health Department, Berkeley Free Clinic, Contra Costa County Health Clinics, Alameda County Health Dept. clinics and the San Francisco City clinics.

Venereal disease is measured in cases per 100,000 population and for gonorrhea Albany has an index of 180. Berkeley has 1069, Oakland 407 and California averages 410. Source of figures is U.S. Public Health Service.

In reviewing reports of viral and infectious diseases for 1969-70, five cases of infectious hepatitis and four of serum hepatitus were seen in 1969 and two infectious hepatitis in 1970 in Albany residents.

Other reportable diseases during the period were: tuberculosis and lapse of consciousness, three cases each; influenza, meiingococcal disease, and salmonella, two each; case conjunctivitis, microsporum canis, mumps, case mycoplasma, and psittacosis, one each.

The low incidence of disease in Albany can be attributed partly to the prompt investigation of these diseases, the continuing program of education in both the elementary and high schools and the interest shown by parents in their children's health.

'Affair in the Park' Features Music, Games

Remember?

The Albany High School Senior Parents are having an Affair in the Park—Memorial Park—Sunday, June 6.

It isn't a private affair. All of Albany is invited to be there between 10 a.m. and 4 p.m.

Live music will be provided by the Albany High School Band. Food, games of skill, and a flea market will be other attractions.

Proceeds of the Affair in the Park will go toward the fund for the all night senior graduation party.

After collecting the "throw aways, castoffs, and white elephants" during the next week or so, to be delivered to the Albany High School gym on Saturday, June 5, between 12 and 5 p.m., if you find you have large items of furniture, etc. to be picked up, call Mrs. Harry Thompson, 525-3875, Mrs. Hans Schwab, 525-9152 (afternoons and evenings), Mrs. R. F. Fisher, 525-1642, or Mrs. Russell Huber, 524-7180.

Also still needed are "extra" Blue Chip and Green Stamps, either loose ones, parts of books, or whole books which can be redeemed for prizes for the seniors. These may be sent to the high school office for Mrs. Lister or Sue Corvello.

Extra bags will also be needed for flea market shoppers to use in taking home their bargains, so if you have them, please put them in your collection to send or bring with your "junque" or "antiques" which you donate.

PROPERTY TAX PROPOSAL IS KILLED AT CITY COUNCIL

Council Repeats Double Pledge

The amendment of Section 37 died Monday night on a 4 to 1 vote by the Albany City Council. City Attorney, Lawrence D. Saler, will present a resolution at the next council meeting calling for a utility user's tax at 5 percent.

Mayor Hubert F. Call asserted that the amendment of Section 37 would be defeated July 20 by a 2 to 1 ration due to public confusion over the issue. "It is useless to spend $6,000 of the taxpayers' money," he added.

It was projected by City Administrator James D. Turner the utility users' tax would bring the City $145,000 in the first year, substantially more than the property tax proposal. This resolution, if passed, would tax gas, electricity, and telephone usage.

Councilman Richard Clark, who voiced the solitary nay against dropping the proposed amendment, stated that he would vote for the utility tax.

Councilman Lewis E. Howell, in expressing his favor of the utility tax, asserted, "A financial crises exists. We do not want taxes but must do something—let's have a first class city again." Howell added that the utility tax "is the only equitable way for everyone to pay a fair share."

Councilman Joseph Carlevaro, in favoring the utility tax, expressed concern over the control the council would have if the proposed property tax resolution were passed.

It was generally felt the utility tax would be of less burden to the taxpayer.

Clark moved that other ordinances be adopted in order to implement various increases in revenue. These included tax increases for business licenses, dog licenses, health fees, applications for permit changes, and zoning changes. Each motion died.

The council and attending public again gave the Pledge of Allegiance twice—the second for the Berkeley City Council.

Councilman Richard Clark strongly opposed the second pledge, labeling the move a "political misuse of the Flag." "I wonder if this will go on for 3 or 5 times," added Clark. Clark did salute the Flag with "honor, pride, and patriotism."

Camermen from KRON-TV and KTVU-TV were present as well as distributors of Flag pins and miniature Flags.

In other action the Council accepted bids for the proposed 1½ ton dump truck for the City. East Bay Chevrolet's bid was $4,900 and an additional $659 for the optional canopy. Jim Woulfe Ford was a bit less at $4,855 and $659 also for the canopy.

The Council adopted by a unanimous vote, three new ordinances: No. 71-010, which relates to the placement of public telephones on public sidewalks; No. 71-011, which calls for an application to the Chief of Police to hold a parade in Albany; and No. 71-012,

25 YEARS

A PLAQUE IN RECOGNITION of 25 consecutive years of membership in the Order of the Golden Rule was presented to May Ellis Olson and Harold Olson of the Ellis-Olson Mortuary. The award was made at the Order's International Conference.

Ellis-Olson Mortuary Honored by Golden Rule

Ellis-Olson Mortuary, 727 San Pablo Avenue in Albany, has just received a plaque in recognition of 25 consecutive years of membership in the Order of the Golden Rule.

Presentation of the award was made at the Order's International Conference, which was held April 27, 28 and 29 in Colorado Springs, Colorado.

All in all, there are some 1,400 Order of the Golden Rule affiliates, representing five continents. Membership is limited to one firm in any given trade area. Each member is investigated initially, and then re-investigated annually, in order to become and remain associated with the organization.

Membership in the Order is signified by a knight-and-shield emblem which features the motto: "Service measured not by gold, but by the Golden Rule."

In addition to the award presentation, the conference in Colorado Springs included speeches and seminars concerning current-day funeral service. The designated purpose of each session was to share ideas and solve problems for the mutual benefit of the funeral profession and the public.

THESE LOVELY MAIDENS have their hopes high for Saturday night. Pictured left to right are Sidni Saler, Paula Ferguson, Evelyn Nusbaum, Cortis Saunders, Suzanne Wallace, and Leslie Ross. Standing over these lovelys (and obviously enjoying every minute of it) is Co-Chairman Alan Caruso. Contestant Rosemarie Ferreria is not pictured.

Free Mosquito Fish

Albany residents may have free mosquito fish by a call to the Albany Health Department, 526-6116, between 8:30 a.m. and 5 p.m. Monday through Friday.

Harold Van Coops, deputy health officer, stated that some mosquito breeding is occurring now, with warmer weather prevailing. Where water cannot be drained away, the addition of several mosquito control fish will often quickly get rid of the problem without the use of oil or dangerous insecticides.

Fire Dept. to Distribute Rules

Members of the Albany Fire Dept. will be circulating door-to-door material of interest to Albany residents June 1 through 4.

The information will consist of rules for Clean-Up Week June 7 thrugh June 11, and also directions for securing a printed pamphlet designed by the Fire Department on what to do before, during, and after an earthquake.

This information will be available, free of charge, to residents at all city offices and at Fire Department headquarters.

Note of Thanks

Mrs. Breckenridge's dog, Mischief, did just that Monday—got into mischief that is.

Being ill recently, Mrs. Breckenridge has confined Mischief, a full German Shepherd, to his fenced-in yard at 812 Cornell.

Mrs. Breckenridge is having a new gate built for the fence and someone left it open. Mischief seized the opportunity and went romping down the street.

Mischief is back from his brief vacation and Mrs. Breckenridge gives special thanks to: Animal Control Officer John Sawer; Postman Mat Hurley; and neighbors, Mr. and Mrs. Garrie Thompson; for bringing Mischief home.

Teenage Volunteers Needed For Red Cross Summer Program

"Opportunities are unlimited for teenagers looking for something meaningful to do this summer," said Berkeley-Albany Red Cross Youth Director Mrs. John Gruber, who is signing up volunteers now to help in community agencies during vacation.

"Volunteens" between the ages of 12 and 20 are being recruited to help as teachers' aides at Headstart centers, to work with physically and mentally handicapped young people at the Cerebral Palsy Center and the King TMR Center, to help teach swimming, cheer patients at convalescent hospitals, and assist in the therapy program and clinics at the Naval Hospital in Oakland.

Descriptions of the various services and the qualifications for each are available at the Red Cross office, 2116 Allston Way, Berkeley. Interested teenagers are invited to call the Red Cross Youth director for application blanks and a personal interview.

Orientation for all youth volunteers will be given at the Red Cross June 21, followed by "in service" training where they work.

"No special skills are required to start with," Mrs. Gruber said, "only a desire to help and the willingness to learn how." The 166 Volunteens who worked last summer found that their "jobs" paid off in a feeling of personal satisfaction, valuable job experience and a better understanding of their own capabilities and the problems facing others, she stated.

Albany School Volunteers Honored

The fifth anniversary of the Albany School Volunteer program was honored by the Board of Education Tuesday night when the Board met in the Cornell School cafeteria. This year some 220 volunteers, ranging in age from 8 to 65-plus, have been assisting children and teachers in classrooms and libraries and on special projects.

Guests of honor were Mmes. Loette Fletcher, Anita Tronoff and Kay Huey, who initiated Albany's program five years ago to help meet the special needs of the 2,500 children in the city's five schools.

The 30 volunteer aides who have served for two or more years were present and Robert Nehls, president of the Board of Education, presented them with certificates of appreciation for their devotion to the children of Albany.

They were a varied group. The youngest was seventh-grader Gloria Gonzalez, who accepted for her mother, Wilma Wells. Others included were Debbie Harvey, Albany High School student, who has come faithfully to a first grade classroom for two years, and Lorraine (Mrs. Denis) Donovan, who for five years has been chairman of Vista School's library committee and who, for the last two years, has offered recorder lessons to all third graders at Vista.

John Zoro, the club's newest member wallked away with the blind bogey prize.

In a new innovation the tourney chairmen had a net twosome with Andy Hashimoto and Dick Schefer winning handily with a net 137.

In the race for the club championship Jim Fink maintains a slight lead with 211, Joe Gaeta 213, Mickey Ettingoff 214, Steve Hoeth 216, Lee Porter 216, and Bob McWilliams 217.

Notes and Quotes

Warning is being issued by Wayne DeTar to the leaders that even though he has just two rounds in, he is in the heat of the battle with 137.

The club's dinner-dance is planned for August 28 at Franklin Canyon.

Tourney champ Dick Shefer was overheard asking the handicap committee to cut his handicap.

'Oil Slicks' is Topic At Kiwanis Club

"Oil Slicks—World-Wide," will be the topic of the Albany-North Berkeley-El Cerrito Kiwanis Club meeting Thursday, May 27, 12:10 p.m. at Kirby's Restaurant. The club will welcome guests at this meeting.

Jules Mayer, Superintendent of the Light Oils Division of Richmond Refinery, Standard Oil Co., who was in charge of Standard's efforts to clean up the "mess" of last February, has since gone to confer with authorities in South Africa, Australia, Phillippines, and Japan, giving them the results of the experience gained in San Francisco Bay clean-up.

Persons interested in hearing of this experience by attending this meeting may phone Dr. Allen Coe, 526-0257, or come to Kirby's Restaurant.

AN ALBANY man who lives on Talbot went out in his back yard Saturday afternoon to take a snooze in the sun. He suddenly felit somebody staring at him. There in the middle of his back yard was the largest turtle (or tortoise) he had ever seen. He looked at the turtle and the turtle looked at him. He called his wife. She looked at the turtle. They called the neighbors. Soon there was a crowd of people looking at the turtle, which was too large to have come through any opening to the yard. The thing was huge, quite "frisky" and completely unafraid. Finally the man called the police. Officer Zac Hartman soon joined the group. He commented it was the funniest thing he had ever seen and drove off with the turtle in a large carton, trying to figure out what to do with it on a weekend when the Animal Control Officer is not on duty. By Sunday a child who lives on the block had claimed his turtle, which the family had picked up near Clear Lake about five years ago.

WHILE WE'RE on the subject of animals, Head Trapper Myrtle McLean has trapped eight raccoons in her back yard plus a few cats.

CORNELL PRINCIPAL Robert Shogren reported to parents last week that the carnival grossed about $1,800, that May 31 is a school holiday and, finally, that there will be no school in Albany on Friday, June 11. Therefore (and this applies to Marin, too), seventh grade graduation will be Wednesday, June 9, at 1:15 (Marin may have a different time). The temporary daughter and a permanent daughter will be graduated that day. They are happy to graduate but unhappy to leave their simply wonderful sixth and seventh grade teacher, Mrs. Linda Nielsen.

ALBANY FOLKS turned out in great numbers Friday night to honor Mrs. Frances Tilbury, who is retiring as city-school nurse after 26 years. City and school dignitaries, many of her family and scores of her friends attended the dinner at the Hotel Claremont. Fran took it all in stride and had as much fun as anyone. She even sang a solo. (The buffet dinner was excellent!)

EVELYN GUIDICI, 43, well-known in Albany, died last week. Her funeral was Friday at Ellis-Olson Mortuary. Her husband, Bill, works for the Albany schools. Other survivors are sons, John, David and Robert Woolworth; parents, Mr. and Mrs. Frank Germolus of Albany; a sister and four brothers, including Robert Germolus of Albany. She also leaves one granddaughter. Sincere sympathy to all the family.

SEVEN LOVELY candidates will compete for the Maid of Albany title beginning at 7:30 p.m. Saturday, May 29, in the AHS Little Theater. This may be the first I've missed since the year Lorrene Baum won the title. It's Nancy's birthday and a long weekend.

ABOUT 60 East Bay Press Club members took a 77-passenger AC Transit Freeway Train to beautiful Sonoma County last weekend. The whole outing was lots of fun, but the reaction of people to the 60-foot-long bus that bends in the middle was fantastic. AC Transit does not operate in that country and everyone in cars and on streets did a double take when they saw the bus. We wondered if they thought we were from outer space.

ORDINANCE NO. 71-012

AN ORDINANCE OF THE CITY OF ALBANY AMENDING THE ALBANY CITY CODE, 1958, BY ADDING CHAPTER 9C THERETO, FOR LICENSING OF PEEP SHOW DEVICES AND DEFINING CONSTRUCTION AND SAFETY STANDARDS FOR PEEP SHOW ESTABLISHMENTS.

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1: That the Albany City Code, 1958, is hereby amended by adding thereto Chapter 9C, containing Sections 9C.1 through 9C.24, to read as follows:

"CHAPTER 9C. PEEP SHOW ESTABLISHMENTS.

"Sec. 9C.1. **Purpose and Intent.** It is the purpose and intent of the Council that the operation of peep show establishments, as defined in this Code, should be regulated for the protection of the public from the perils of fire, hazards to health, and for the preservation of the peace of the community.

"Sec. 9C.2. **Definitions.**

(a) 'Peep show establishment' means any place in which a peep show device is operated.

(b) 'Peep show device' means an aperture through which may be viewed images that are exhibited by means of the projection or internal electronic reflection of motion picture film, or slides, or both.

"Sec. 9C.3. **Permit.** No person shall operate a peep show device unless a permit for the operation of said device has been issued by the City Treasurer and remains in effect in conformity with the provisions of this Code.

"Sec. 9C.4. **Permit Term.** No permit for a peep show device shall be issued by the City Treasurer for a period in excess of six (6) months. The expiration dates of said permit shall be June 30 and December 31 of each year.

"Sec. 9C.5. **Permit Fee.** Every person owning or operating a peep show device shall pay a fee of Twelve Dollars ($12.00) per six (6) month period for each peep show device. Any person applying for a permit for a period of less than six (6) months shall pay a prorated fee.

"Sec. 9C.6. **Application for Permit—Investigation Fee.** All applications for a permit, or for the renewal of a permit, shall be accompanied by an investigation fee in the sum of Ten Dollars ($10.00). In the event the permit is granted or renewed, the sum shall be applied to the permit fee as described in Section 9C.5. In the event such permit is denied, said application fee shall be and become the property of the City of Albany.

"Sec. 9C.7. **Application for Permit—Investigation.** Every applicant shall file an application for a permit, or for the renewal of a permit, with the Treasurer of the City of Albany upon the form to be provided by the City Treasurer. Immediately upon the receipt of an application, the Treasurer shall deliver said application to the City Administrator or his delegate. The City Administrator or his delegate shall cause to be made an investigation of the application to determine that:

(a) The applicant did not knowingly make a material misstatement in the application for a permit or for the renewal of a permit; and

(b) the operation pursuant to the issuance or renewal of a permit will be in compliance with the building, fire, electrical, plumbing and health requirements as set forth in this Code; and

(c) The operation pursuant to the issuance of a permit will be in compliance with all applicable laws.

"Sec. 9C.8. **Issuance or Denial of Permit.** If, upon investigation, the City Administrator or his delegate finds that the operation pursuant to the issuance or renewal of a permit will be in compliance with the requirements described in Section 9C.7, the permit shall be granted or renewed. Any application for a permit or for the renewal of a permit may be denied if, after the applicant has been given the opportunity for a hearing as described in Section 9C.10, the City Administrator or his delegate finds that the operation pursuant to the issuance or renewal of a permit will not be in compliance with the requirements described in Section 9C.7. The City Administrator or his delegate shall file a report of the approval or denial of the application with the City Treasurer within thirty (30) days of receipt of said application. If the application for a permit or for the renewal of a permit is denied, the notification and reasons for denial shall be set forth in writing and sent to the applicant by means of registered mail, certified mail, or hand delivery.

"Sec. 9C.9. **Suspension or Revocation of Permit.** Any permit issued hereunder may be suspended or revoked if, after the permittee has been given the opportunity for a hearing as described in Section 9C.10, the City Administrator or his delegate finds that:

(a) The permittee knowingly made a material misstatement in the application for the permit or the renewal of a permit; or

(b) The permittee violated any one of the requirements as set forth in this Code which define building, fire, electrical, plumbing or health standards; or

(c) The operation pursuant to the permit will not be in compliance with all applicable laws.

"In the event that a permit is suspended or revoked, the notification of suspension or revocation, as well as the reasons therefore, shall be set forth in writing and sent to the permittee by means of registered mail, certified mail, or hand delivery.

"Sec. 9C.10. **Hearing.** In the event that the City Administrator or his delegate has evidence that any of the requirements described in Sections 9C.7 or 9C.9 have not been complied with, he shall set forth in writing and send to the applicant or permittee, by means of registered mail, certified mail, or hand delivery, notice that within a period of not less than five (5) days from the date of the posting of said notice, a hearing shall be conducted to determine the existence of any facts which constitute grounds for the denial of a permit or permit renewal, the suspension of a permit, or the revocation of a permit. The notification shall include the date, time and place of the hearing as well as a statement of the facts relevant to the case. The hearing shall be conducted by a hearing officer appointed by the City Administrator. The applicant or permittee may have the assistance of counsel or may appear by counsel and shall have the right to present evidence. In the event that the applicant or permittee, or counsel representing the applicant or permittee, fails to appear at the hearing, the evidence of the existence of facts which constitute grounds for the denial of a permit or permit renewal, the suspension of a permit or the revocation of a permit, shall be considered unrebutted.

"Sec. 9C.11. **Appeal.** Within ten (10) days after the date of posting the notification that an application for a permit has been denied, a permit suspended or revoked, or a renewal denied, the applicant or permittee may file with the City Clerk a written request for a public hearing before the City Council. Upon the filing of such a request, the City Clerk shall set a time and place for the hearing and shall notify the appellant thereof. The hearing shall be held within thirty (30) days after the request is filed. At the hearing, any person may present evidence in opposition to, or in support of, appellant's case. At the conclusion of the hearing, the City Council shall either grant or deny the appeal and the decision of the City Council shall be final.

"Sec. 9C.12. **No Permit One Year After Revocation.** No person who has had a permit for a peep show device revoked may obtain a peep show device permit within a period of twelve (12) months from the date of revocation.

"Sec. 9C.13. **Permit Affixed to Device.** No person shall operate a peep show device unless each such device is plainly marked with a serial number and shall have attached thereto a distinguishing tag, sign, permit or other marker, issued by the City Treasurer upon the granting or renewal of a permit, which shall bear a permit number identifying the peep show device as a particular device permitted pursuant to the terms of this Code. Such permit shall be affixed in a conspicuous location on each device and shall remain thereto until a new or different permit has been issued therefor. No permit shall be transferable from one person to another or from one device to another.

"Sec. 9C.14. **Wall, Partition Construction.** No person shall operate a peep show establishment unless any wall or partition which is situated so as to create a room, enclosure or booth in which any peep show device is located is constructed of not less than one (1) hour fire-resistive material.

"Sec. 9C.15. **Minimum Aisle Width.** No person shall operate a peep show establishment in which the width of the aisles in any room where a peep show device is located is less than forty-two (42) inches.

"Sec. 9C.16. **Minimum Doorways.** No person shall operate a peep show establishment unless there are no fewer than two (2) doorways of a width of not less than thirty-six (36) inches which provide ingress or egress from any room in which a peep show device is located; provided, however, that one (1) doorway shall be sufficient in the event the Fire Chief should so determine. Doorway or doorways shall be unlocked during business hours.

"Sec. 9C.17. **Lighted Exit Signs.** No person shall operate a peep show establishment unless over every doorway which provides egress from any room in which a peep show device is located an internally illuminated exit sign with letters at least five (5) inches in height is maintained.

"Sec. 9C.18. **Patron View of Doorway.** No person shall operate a peep show establishment unless each peep show device located in such establishment is situated so as to permit the person using the peep show device to have a constantly unobstructed view of the doorway or doorways which provide ingress to or egress from the establishment.

"Sec. 9C.19. **Minimum Lighting.** No person shall operate a peep show establishment unless a light level of not less than ten (10) foot candles at floor level is maintained in every portion of said establishment to which the public is admitted.

"Sec. 9C.20. **Maximum Occupancy Load.** No person shall operate a peep show establishment in which the number of persons in any room or partitioned portion of a room where a peep show device is located exceeds one (1) person per thirty (30) square feet. The maximum occupancy load permitted in any room or partitioned portion of a room in which a peep show device is located shall be conspicuously posted by the operator, and shall remain posted, at the entrance to said room.

"Sec. 9C.21. **Maximum Number of Devices.** No person shall operate a peep show establishment in which the number of peep show devices exceeds the maximum occupancy load permitted in any room or partitioned portion of a room in which a peep show device is located. The maximum number of peep show devices permitted in any room or partitioned portion of a room in a peep show establishment shall be conspicuously posted by the operator, and shall remain posted, at the entrance to said room.

"Sec. 9C.22. **Free Access to City Administrator or Delegate.** No person shall deny the City Administrator or his delegate free access to a peep show establishment for purposes of a reasonable inspection to enforce compliance with building, fire, electrical, or plumbing regulations.

"Sec. 9C.23. **Injunctive Relief.** In addition to the legal remedies provided for in this Code, the operation of any peep show establishment in violation of the terms of this Code shall be deemed a public nuisance and may be, by the City of Albany, enjoined.

"Sec. 9C.24. **Variance.** The City Administrator or his delegate, is empowered in the administration of the ordinance to permit such variance or deviation from the regulations hereof as will effectuate the purpose and intent hereof."

Section 2: This Ordinance shall be published once in the "Albany Times", a newspaper of general circulation within the City of Albany, which said newspaper is designated for that purpose, and shall become effective on and after its final passage, adoption and publication.
